What suggestions do you have for follow-up events and for actions that should be taken?

4 Antworten

great keynote!

Keep vegan food options as a standard, it was very tasty! Time keeping was very important at the event since many colleagues had more slides than they were able to share, keep your strong time keeping skills. its not rude, its necessary

The interactive activity was good
The explaining of the status was nice, but the bigger picture was not easily to see

Perfect event, please repeat
